Standard Technology Inc.

## Customer Information

- 1a. Table of awarded special item number(s) with appropriate cross-reference to item descriptions and awarded price(s).

SIN	Description
54151S	Information Technology Professional Services
54151HEAL	Health Information Technology Services
518210C	Cloud and Cloud-Related IT Professional Services

- 1b. Identification of the lowest priced model number and lowest unit price for that model for each special item number awarded in the contract. This price is the Government price based on a unit of one, exclusive of any quantity/dollar volume, prompt payment, or any other concession affecting price. Those contracts that have unit prices based on the geographic location of the customer, should show the range of the lowest price, and cite the areas to which the prices apply.

**\*Not Applicable**

- 1c. If the Contractor is proposing hourly rates, a description of all corresponding commercial job titles, experience, functional responsibility and education for those types of employees or subcontractors who will perform services shall be provided. If hourly rates are not applicable, indicate "Not applicable" for this item.

**\*See Labor Category Descriptions, page #10**

2. Maximum order.

**\$500,000.00**

3. Minimum order.

**\$1,000.00**

4. Geographic coverage (delivery area).

**The 48 contiguous states, DC, Alaska, Hawaii and Puerto Rico**

5. Point(s) of production (city, county, and State or foreign country).

**\*Not Applicable**

6. Discount from list prices or statement of net price.

Standard Technology Inc.

**All prices quoted under this contract are discounted from our commercial prices, and are stated as NET prices, including the GSA discount and IFF.**

- State and Local Government Agencies: Offered the same discounts as all Federal Government customers
- Government Educational Institutions: Offered the same discounts as all Federal Government customers

7. Quantity discounts.

**None**

8. Prompt Payment terms.

**None**

9a. Notification that Government purchase cards are accepted at or below the micro-purchase threshold.

**Standard Technology Inc. will accept the Government purchase card for all orders and amounts.**

9b. Notification whether Government purchase cards are accepted or not accepted above the micro-purchase threshold.

**Standard Technology Inc. will accept the Government purchase card for all orders and amounts.**

10. Foreign items (list items by country of origin).

**\*Not Applicable**

11a. Time of delivery.

**Net 30 days, ARO**

11b. Expedited Delivery. Items available for expedited delivery are noted in this price list.

**\*As negotiated.**

11c. Overnight and 2-day delivery. The Contractor will indicate whether overnight and 2-day delivery are available. Also, the Contractor will indicate that the schedule customer may contact the Contractor for rates for overnight and 2-day delivery.

**\*Not Applicable**

Standard Technology Inc.

11d. Urgent Requirements. The Contractor will note in its price list the “Urgent Requirements” clause of its contract and advise agencies that they can also contact the Contractor’s representative to effect a faster delivery.

**\*Not Applicable**

12. F.O.B. point(s).

**Destination**

13a. Ordering address(es).

**Standard Technology, Inc.  
Attn: Fred Behbahani  
7201 Wisconsin Ave. Suite 740  
Bethesda, MD 20814

Bethesda, MD 20814**

15. Warranty provision. The contractor warrants that each hardware, software, and firmware product delivered under this contract and listed below shall be able to accurately process date data (including, but not limited to, calculating, comparing, and sequencing) from, into, and between the twentieth and twenty-first centuries, including leap year calculations, when used in accordance with the product documentation provided by the contractor, provided that all listed or unlisted products (e.g. hardware, software, firmware) used in combination with such listed product properly exchange date data with it. If the contract requires that specific listed products must perform as a system in accordance with the foregoing warranty, then that warranty shall apply to those listed products as a system. The duration of this warranty and the remedies available to the Government for breach of this warranty shall be as defined in, and subject to, the terms and limitations of the contractor’s standard commercial warranty or warranties contained in this contract, provided that notwithstanding any provision to the contrary in such commercial warranty or warranties, the remedies available to the Government under this warranty shall include repair or replacement of any listed product whose non-compliance is discovered and made known to the contractor in writing within ninety (90) days after acceptance.

Standard Technology Inc.

16. Export packing charges, if applicable.

**\*Not Applicable**

17. Terms and conditions of Government purchase card acceptance (any thresholds above the micro-purchase level).

**Contact Contractor.**

18. Terms and conditions of rental, maintenance, and repair (if applicable).

**\*Not Applicable**

19. Terms and conditions of installation (if applicable).

**\*Not Applicable**

20. Terms and conditions of repair parts indicating date of parts price lists and any discounts from list prices (if applicable).

**\*Not Applicable**

20a. Terms and conditions for any other services (if applicable).

**\*Not Applicable**

21. List of service and distribution points (if applicable).

**\*Not Applicable**

22. List of participating dealers (if applicable).

**\*Not Applicable**

23. Preventive maintenance (if applicable).

**\*Not Applicable**

24a. Special attributes such as environmental attributes (e.g., recycled content, energy efficiency, and/or reduced pollutants).

**\*Not Applicable**

24b. If applicable, indicate that Section 508 compliance information is available on Electronic and Information Technology (EIT) supplies and services and show where full details can be found (e.g. contractor's website or other location.) The EIT standards can be found at: [www.Section508.gov/](http://www.Section508.gov/).

Standard Technology Inc.

**<http://www.stic2.com/>**

25. Data Universal Number System (DUNS) number.

**147225528**

26. Notification regarding registration in Central Contractor Registration (CCR) database.

**Cage Code 68200**

## **Terms and Conditions:**

### **1. SCOPE**

a. The prices, terms and conditions stated under Special Item Number 132-51 Information Technology Professional Services apply exclusively to IT/IAM Professional Services within the scope of this Information Technology Schedule.

b. The Contractor shall provide services at the Contractor's facility and/or at the ordering activity location, as agreed to by the Contractor and the ordering activity.

### **2. PERFORMANCE INCENTIVES I-FSS-60 Performance Incentives (April 2000)**

a. Performance incentives may be agreed upon between the Contractor and the ordering activity on individual fixed price orders or Blanket Purchase Agreements under this contract.

b. The ordering activity must establish a maximum performance incentive price for these services and/or total solutions on individual orders or Blanket Purchase Agreements.

c. Incentives should be designed to relate results achieved by the contractor to specified targets. To the maximum extent practicable, ordering activities shall consider establishing incentives where performance is critical to the ordering activity's mission and incentives are likely to motivate the contractor. Incentives shall be based on objectively measurable tasks.

### **3. ORDER**

a. Agencies may use written orders, EDI orders, blanket purchase agreements, individual purchase orders, or task orders for ordering services under this contract. Blanket Purchase Agreements shall not extend beyond the end of the contract period; all services and delivery shall be made, and the contract terms and conditions shall continue in effect until the completion of the order. Orders for tasks which extend beyond the fiscal year for which funds are available shall include FAR 52.232-19 (Deviation – May 2003) Availability of Funds for the Next Fiscal Year. The purchase order shall specify the availability of funds and the period for which funds are available.

Standard Technology Inc.

b. All task orders are subject to the terms and conditions of the contract. In the event of conflict between a task order and the contract, the contract will take precedence.

#### **4. PERFORMANCE OF SERVICES**

a. The Contractor shall commence performance of services on the date agreed to by the Contractor and the ordering activity.

b. The Contractor agrees to render services only during normal working hours, unless otherwise agreed to by the Contractor and the ordering activity.

c. The ordering activity should include the criteria for satisfactory completion for each task in the Statement of Work or Delivery Order. Services shall be completed in a good and workmanlike manner.

d. Any Contractor travel required in the performance of IT/IAM Services must comply with the Federal Travel Regulation or Joint Travel Regulations, as applicable, in effect on the date(s) the travel is performed. Established Federal Government per diem rates will apply to all Contractor travel. Contractors cannot use GSA city pair contracts.

#### **5. STOP-WORK ORDER (FAR 52.242-15) (AUG 1989)**

(a) The Contracting Officer may, at any time, by written order to the Contractor, require the Contractor to stop all, or any part, of the work called for by this contract for a period of 90 days after the order is delivered to the Contractor, and for any further period to which the parties may agree. The order shall be specifically identified as a stop-work order issued under this clause. Upon receipt of the order, the Contractor shall immediately comply with its terms and take all reasonable steps to minimize the incurrence of costs allocable to the work covered by the order during the period of work stoppage. Within a period of 90 days after a stop-work is delivered to the Contractor, or within any extension of that period to which the parties shall have agreed, the Contracting Officer shall either-

(1) Cancel the stop-work order; or

(2) Terminate the work covered by the order as provided in the Default, or the Termination for Convenience of the Government, clause of this contract.

(b) If a stop-work order issued under this clause is canceled or the period of the order or any extension thereof expires, the Contractor shall resume work. The Contracting Officer shall make an equitable adjustment in the delivery schedule or contract price, or both, and the contract shall be modified, in writing, accordingly, if:

(1) The stop-work order results in an increase in the time required for, or in the Contractor's cost properly allocable to, the performance of any part of this contract; and

Standard Technology Inc.

(2) The Contractor asserts its right to the adjustment within 30 days after the end of the period of work stoppage; provided, that, if the Contracting Officer decides the facts justify the action, the Contracting Officer may receive and act upon the claim submitted at any time before final payment under this contract.

(c) If a stop-work order is not canceled and the work covered by the order is terminated for the convenience of the Government, the Contracting Officer shall allow reasonable costs resulting from the stop-work order in arriving at the termination settlement.

(d) If a stop-work order is not canceled and the work covered by the order is terminated for default, the Contracting Officer shall allow, by equitable adjustment or otherwise, reasonable costs resulting from the stop-work order.

## **6. INSPECTION OF SERVICES**

**In accordance with FAR 52.212-4 CONTRACT TERMS AND CONDITIONS--COMMERCIAL ITEMS (MAR 2009) (DEVIATION I - FEB 2007) for Firm-Fixed Price orders and FAR 52.212-4 CONTRACT TERMS AND CONDITIONS □ COMMERCIAL ITEMS (MAR 2009) (ALTERNATE I □ OCT 2008) (DEVIATION I – FEB 2007) applies to Time-and-Materials and Labor-Hour Contracts orders placed under this contract.**

## **7. RESPONSIBILITIES OF THE CONTRACTOR**

The Contractor shall comply with all laws, ordinances, and regulations (Federal, State, City, or otherwise) covering work of this character. If the end product of a task order is software, then FAR 52.227-14 (Dec 2007) Rights in Data – General, may apply.

## **8. RESPONSIBILITIES OF THE ORDERING ACTIVITY**

Subject to security regulations, the ordering activity shall permit Contractor access to all facilities necessary to perform the requisite IT/IAM Professional Services.

## **9. INDEPENDENT CONTRACTOR**

All IT/IAM Professional Services performed by the Contractor under the terms of this contract shall be as an independent Contractor, and not as an agent or employee of the ordering activity.

## **10. ORGANIZATIONAL CONFLICTS OF INTEREST**

a. Definitions.

“Contractor” means the person, firm, unincorporated association, joint venture, partnership, or corporation that is a party to this contract.

“Contractor and its affiliates” and “Contractor or its affiliates” refer to the Contractor, its chief executives, directors, officers, subsidiaries, affiliates, subcontractors at any tier, and consultants and

Standard Technology Inc.

any joint venture involving the Contractor, any entity into or with which the Contractor subsequently merges or affiliates, or any other successor or assignee of the Contractor.

An "Organizational conflict of interest" exists when the nature of the work to be performed under a proposed ordering activity contract, without some restriction on ordering activities by the Contractor and its affiliates, may either (i) result in an unfair competitive advantage to the Contractor or its affiliates or (ii) impair the Contractor's or its affiliates' objectivity in performing contract work.

b. To avoid an organizational or financial conflict of interest and to avoid prejudicing the best interests of the ordering activity, ordering activities may place restrictions on the Contractors, its affiliates, chief executives, directors, subsidiaries and subcontractors at any tier when placing orders against schedule contracts. Such restrictions shall be consistent with FAR 9.505 and shall be designed to avoid, neutralize, or mitigate organizational conflicts of interest that might otherwise exist in situations related to individual orders placed against the schedule contract. Examples of situations, which may require restrictions, are provided at FAR 9.508.

## **11. INVOICES**

The Contractor, upon completion of the work ordered, shall submit invoices for IT/IAM Professional services. Progress payments may be authorized by the ordering activity on individual orders if appropriate. Progress payments shall be based upon completion of defined milestones or interim products. Invoices shall be submitted monthly for recurring services performed during the preceding month.

## **12. PAYMENTS**

For firm-fixed price orders the ordering activity shall pay the Contractor, upon submission of proper invoices or vouchers, the prices stipulated in this contract for service rendered and accepted. Progress payments shall be made only when authorized by the order. For time-and-materials orders, the Payments under Time-and-Materials and Labor-Hour Contracts at FAR 52.212-4 (MAR 2009) (ALTERNATE I – OCT 2008) (DEVIATION I – FEB 2007) applies to time-and-materials orders placed under this contract. For labor-hour orders, the Payment under Time-and-Materials and Labor-Hour Contracts at FAR 52.212- 4 (MAR 2009) (ALTERNATE I – OCT 2008) (DEVIATION I – FEB 2007) applies to labor-hour orders placed under this contract. 52.216-31(Feb 2007) Time-and-Materials/Labor-Hour Proposal Requirements—Commercial Item Acquisition As prescribed in 16.601(e)(3), insert the following provision:

- (a) The Government contemplates award of a Time-and-Materials or Labor-Hour type of contract resulting from this solicitation.
- (b) The offeror must specify fixed hourly rates in its offer that include wages, overhead, general and administrative expenses, and profit. The offeror must specify whether the fixed hourly rate for each labor category applies to labor performed by—
  - (1) The offeror;
  - (2) Subcontractors; and/or
  - (3) Divisions, subsidiaries, or affiliates of the offeror under a common control.

## **13. RESUMES**

Standard Technology Inc.

Resumes shall be provided to the GSA Contracting Officer or the user ordering activity upon request.

#### **14. INCIDENTAL SUPPORT COSTS**

Incidental support costs are available outside the scope of this contract. The costs will be negotiated separately with the ordering activity in accordance with the guidelines set forth in the FAR.

#### **15. APPROVAL OF SUBCONTRACTS**

The ordering activity may require that the Contractor receive, from the ordering activity's Contracting Officer, written consent before placing any subcontract for furnishing any of the work called for in a task order.

Standard Technology Inc.

## Labor Category Descriptions: 54151S

Minimum/General Experience and Years of Experience	Functional Responsibility	Educational Requirements*
<b>1- <u>Application Programmer</u></b>		
(2) Years of programming experience with minimum of (1) year experience in specialty area	Code, test, debug and modify programming for basic to medium complexity applications	AA/AS Degree (Bachelor's with lower years)
<b>2-Applications Programmer II</b>		
(4) Years of programming experience with minimum of (2) year experience in specialty area	Code, test, debug and modify programming for basic to medium complexity applications	AA/AS Degree (Bachelor's with lower years)
<b>3-Applications Programmer III</b>		
(7) Years of programming experience, with minimum of (3) years' experience in specialty area	Code, test, debug and modify programming for advance complexity applications	Bachelor's Degree in Computer Science or related fields (Additional relevant years of experience can substitute required degree)
<b>4-Database Management Specialist I</b>		
(3) experience in functional requirement and analysis with minimum of (1) years' experience functional requirement and analysis in specialty area.	Perform configuration, administration and monitoring data bases	AA/AS Degree (Bachelor's with lower years)
<b>5-Database Management Specialist I</b>		
(5) years' experience in functional requirement and analysis with minimum of (2) years' experience functional requirement and analysis in specialty area.	Perform configuration, administration and monitoring data bases	Bachelor's Degree in Computer Science or related fields  (Additional relevant years of experience can substitute required degree)

Standard Technology Inc.

<b>6-Database Management Specialist II</b>		
(7) years' experience in functional requirement and analysis with minimum of (4) years' experience functional requirement and analysis in specialty area.	Perform configuration, administration and monitoring data bases	Bachelor's Degree in Computer Science or related fields  (Additional relevant years of experience can substitute required degree)
<b>7-Functional Analyst</b>		
(3) years' experience in functional requirement and analysis with minimum of (1) years' experience functional requirement and analysis in specialty area.	Analyze functions, systems' interactions, bottlenecks and or deficiencies. Document findings and recommend required changes based on industry best practices for medium to complex systems	Bachelor's degree in related fields  (Additional relevant years of experience can substitute required degree)
<b>8-Functional Analyst – Senior</b>		
(5) years' experience in functional requirement and analysis with minimum of (3) years' experience functional requirement and analysis in specialty area.	Analyze functions, systems' interactions, bottlenecks and or deficiencies. Document findings and recommend required changes based on industry best practices complex systems	Master's degree in relevant field (Additional relevant years of experience can substitute required degree)
<b>9-Help Desk Manager</b>		
(5) years' experience computer related fields with minimum of (2) years' help desk management experience in specialty area.	Daily management of help desk function, including personnel management, scheduling, client interface and resolution	Bachelor's degree in computer science or related field  (Additional relevant years of experience can substitute required degree)
<b>10-Help Desk Specialist</b>		
(3) years' experience computer related fields with minimum of (1) years' help desk support experience in specialty area.	Daily support of help desk function, including client interface and resolution of technical issues in timely manner.	AA/AS Degree
<b>11-Program Manager</b>		

Standard Technology Inc.

(8) Years' total experience including (5) years in managing operations	Management of all aspects of a program and contract from cradle to cradle, including but not limited the deliverables, budget, personnel. Ability to manage tasks and personnel.	Master's degree in related field  (Additional relevant years of experience can substitute required degree)
<b>12-Project Manager</b>		
(5) years total experience including (1) year in management of related specialty area.	Daily management of operation, clients and personnel and timely delivery of tasks. Ability to manage tasks and personnel.	Bachelor's degree in related fields  (Additional relevant years of experience can substitute required degree)
<b>13-Quality Assurance Analyst</b>		
(2) Years of computer applications QA experience with minimum (1) year of experience in QA in specialty area	Apply required quality assurance methodology in review and evaluation of software products and systems functionality; develops customized QA procedures and conducts tests.	Bachelor's degree in Computer Science or related fields  (Additional relevant years of experience can substitute required degree)
<b>14-Quality Assurance Manager</b>		
(4) Years of computer applications QA experience with minimum (2) years of experience in QA of specialty applications.	Establish and apply quality assurance methodology and standards to review and evaluate software products, and system's functionality; Supervise, review and ensure each product's QA compliance; Document QA reviews results; recommended necessary changes.	Bachelor's degree in Computer Science or related fields  (Additional relevant years of experience can substitute required degree)
<b>15-Subject Matter Expert I</b>		

Standard Technology Inc.

(7) Years multidisciplinary experience with minimum of (3) years in related specialty area.	Provide high level of interdisciplinary expertise and knowledge in overall functional and technical management.	Bachelor's degree in related functional field  (Additional relevant years of experience can substitute required degree)
<b>16-Subject Matter Expert II</b>		
(10) Years of multidisciplinary experience with minimum of (5) years in related specialty area.	Provides high level of interdisciplinary expertise and knowledge in specific functional, technical management	Master's degree in related field  (Additional relevant years of experience can substitute required degree)
<b>17-Subject Matter Expert III</b>		
(15) Years of multidisciplinary experience with minimum of (8) years related specialty area.	Provides high level of interdisciplinary expertise and knowledge in specific functional, technical management.	PhD in a related field  (Additional relevant years of experience can substitute required degree)
<b>18-Systems Architect I</b>		
(7) Years of experience in information technology system design and architect including a minimum of (3) years' experience in system design and architects for medium to complex systems.	Design, develop, and system architect and implement information technology solutions to specifically address needs of medium to large enterprises.	Master's Degree in Computer Science and or relates fields.  (Additional relevant years of experience can substitute required degree)
<b>19-Systems Architect II</b>		
(10) Years of experience in information technology system design and architect including a minimum of (5) years' experience in system design and architects for medium to complex systems.	Design, develop, and system architect and implement information technology solutions to specifically address needs of medium to large enterprises.	Master's Degree in Computer Science and or relates fields. (Additional relevant years of experience can substitute required degree)
<b>20-Systems Architect III</b>		

Standard Technology Inc.

(15) Years of experience in information technology system design and architect including a minimum of (8) years' experience in system design and architects for medium to complex systems for healthcare/clinical enterprises	Design, develop, and system architect and implement information technology solutions to specifically address needs of medium to large enterprises	Master's Degree in Computer Science and or relates fields  (Additional relevant years of experience can substitute required degree)
<b>21-Test Engineer</b>		
(10) Yeas' of experience with minimum of (4) years in testing similar systems/applications	Apply testing methodology during the software development stages and document and provide feed back	Bachelor's degree in Computer Science and or relates fields  (Additional relevant years of experience can substitute required degree)
<b>22-Training Manager</b>		
(5) Years of experience in training including minimum of (2) years in specialty area.	Manage and evaluate organization' training needs; Design and develop specialized training courses; Conduct professional training classes and evaluate, document and provide feedback	Bachelor's in Healthcare or Education fields  (Additional relevant years of experience can substitute required degree)
<b>23-Training Specialist</b>		
(3) Years of experience in training including minimum of (2) year in functional area	Customize specialized training courses, conduct professional training classes. Evaluate, document and provide feedback.	Bachelor's degree in computer Science or related fields

### SCA Matrix

Montgomery County, MD, July 25, 2017

SCA Eligible Labor Category	SCA Equivalent Code Title	Wage Determination #
Applications Programmer I	Computer Programmer I	14071
Applications Programmer II	Computer Programmer II	14072
Applications Programmer III	Computer Programmer III	14073
Help Desk Specialist	Personal Computer Tech Support	14160
Training Specialist	Technical Instructor	15090

The Service Contract Act (SCA) is applicable to this contract and it includes SCA applicable services. The prices for the cited SCA services are based on the U.S. Department of Labor Wage Determination Number(s) identified in the SCA matrix and above. The prices offered are based on the preponderance of where work is performed and should the contractor perform in an area with lower SCA rates, resulting in lower wages being paid, the task order prices will be discounted accordingly.
